THE SUNDAY APPEAL.

The issue of to-morrow will be one of the most interesting ever given to the public. We expect to print a large extra edition, and think it a favorable occasion for advertisers to avail themselves of the advantages of the SUNDAY APPRAL. We make special rates for the Sunday and Monday issues. The APPEAL is the only morning paper published on Monsend in their orders early.

THE attention of merchants and cotton dealers is directed to the "Cotton through the State which he will com-Case," reported at length on our third menes to-day at Knoxville; page.

vention of Illinois, shortly to meet at Calro, contemplate sending a delegation put of enfranchisement for two or three years. Cairo, contemplate sending a delegation to the South. Memphis, Vicksburg, New Orleans and Mobile are spoken of as eitles to be visited by the gentlemen. It is stated that an important and excited mention of the Committee on Banking and Currency was mainly occupied in distening to the statements of the uniform of his Presidential carser, than as east of review or vinite to the statements of the comptroller of the Currency and Mr.

It is stated that an important and excited meeting of the vigilance committee on Banking and Currency was mainly occupied in distening to the statements of the which a proposition was made to call out the ward organizations, march to the Finkshurg. to be selected, for whom the people of conservative success, however, in a direct convent our city, just now attracting more attention than ever, will, we hope, make teding effect. A few weeks will determine a hearty welcome. Representing the whether or not there will be a canvass. attentions and courtesies, not alone of cal party, of which heretofore he has the craft here, but of all classes,

harmoniously where the advancement of people; you war that you have just par vessels seized in Spanish waters or upon ness. Judge Davis and Hoar construe and prosperity of their division of the State is concerned. They believe that pie contentions for power, for place, and for legislators and Congressmen are to be occupation commencing here in this body, judged more by the appropriations they an secure to be spent in their mountains than by their "talks." Just now they are felicitating themselves upon the passage of an appropriation amounting to \$90,000 | House organized by Mr. Biaine in the interest to the Knoxville Whig, and gives the credit to MAYNARD. How long will it wes be before we can give like credit to our Congressioan?

We are happy to announce that Gov. SENTER, though showing the cloven noble impulses in behalf of colored humani lenting in his militia policy. He has people will be sorrely tempted to hand the Government over to the hand to opportunity yielded to the petitions of all classes, acknowledges the generally peaceable and tis from active service. We learn from tion of G-orgis, agreed to by a majority only five companies will be retained in to be reported to the House; county, one in Madison, Gibson and ployment of deserving mechanics and majority of the votes in their places, and the farther and disband the whole posse, he will insure this and win for bloomy what terms under which they were reported; therewill insure this and win for himself what fore is to be coveted beyond riches and power, | Bett Eracini, etc., That the Legislature original the good epinion of his fellow-citizens,

SENTER, following the example of his disquislifted by the fourteenth amendment Illustrious predecessor BROWNLOW, has whose disubilities have not been removcers, in favor of his party, by the annula as perjory under the United States laws before ment of the registration of Madison and the listing to Court. The third section declars ment of the registration of Madison and the listrict Coart. The third section declares the expansion of negro members void. The fourth section ensets that those who shall exerhe does not give any reason for this clastic duties of any office, legislative, judisweeping act beyond that it has been made to appear to him that " frauds and irregularities have intervened." How, have been removed by Congress, shall, on o'm ties filled by Radicals, and these of forever disqualified from holding any office disqualified from holding any office officeation in the South, and to appoint of honor or profit ander the laws of the United one Superintendent of Eincation in with the office of Registrar in both counlarity could occur he does not any; he Tue bill also provides for keeping United simply states that such is the fact, and States troops in the State to carry this set into then orders a re-registration of the voters of the counties named to be made by the strain of the solution of the counties named to be made by the strain at the protection of the and assistance in the solution of the paid on presentation at the proper offices shall be produced of such conduct or of shall be produced or shall be produ been frauds and irregularities, they must have been perpetrated. Either these Against this infamous measure, at-Registrars are honest men, so known tributed to the scheming and plotting of to be by Mr. SENTER, and this state | Gov. Bullock, even the ultra Radicals ment of fraud to be wanting in truth, or of Georgia are remonstrating. The same being true he deliberately disboners dispatch that conveys the above, states tions, depends upon judicial decisions yet to be given. If the Bench is filled by men of Democratic faith or tendencies, such as placed in his hands, as proposed for him to count the days of power that will remain to him. He knows that with the State and country!
